
PET NON STORAGE BED

DOUBLE AND KING SIZE

PLEASE READ this sheet prior to assembly to familiarise yourself with the various stages of construction. Carefully open the pack supplied and check the contents against the parts and fittings check list.

Do not destroy any of the packaging until you are certain that you have all the necessary parts for the assembly.

Please ensure that the packaging is disposed of in a safe environmentally friendly way.

CAUTION: There are small components used in the construction of this unit. These loose items should be kept away from young children during assembly, to avoid the danger of choking.

IMPORTANT: BEFORE STARTING TO ASSEMBLE THE BED - PLEASE READ THESE INSTRUCTIONS CAREFULLY.

Please connect your own power supply to the 5V USB plug (16).

The UKCA wall power adapter needs to be: 220/240V AC -to- 5V 2A DC

For safety, please connect to an earthed wall socket.

If in any doubt of how to connect your bed to the mains power wall socket, please consult with an expert to help.
