Additional Information:

- Caution. This bed uses a pressurised mechanism.
- Use caution when operating - Always use two hands at arm's length, and only where illustrated on the product.
- You must ensure the mattress is on the bed frame before lifting the mechanism - Failure to do so may result in injury.
- Please ensure Children and pets are kept away from the bed when operating the bed mechanism.
- If removing the mattress, make sure that the frame is secured as it could flip open.
- Only use the storage compartment when the frame is fully raised in the 'up' position.
- No children and animals are left unattended when the frame is in the 'up' position.
- Do not remain on the bed whilst the lifting mechanism is in use.
- Beware of Entrapment - Keep both hands clear of mechanism when operating the mechanism.
- When lifting the bed remove all bedding - Except the fitted sheet.
